

Notice of product field upgrade

Category: Other

Product: platform lift,
curved, rope driven models

Brand: Rigert

Name: Pegasus

Affected Years: 1997-2002

Risk type: Ramp and arm locking

Garaventa Liftech AG has identified certain models of Rigert inclined platforms that require an upgrade. The upgrade must be installed by a factory authorized technician and is being provided, free of charge. The upgrade is required to prevent any harm or injury.

We have not been able to identify the location of all lifts. To check if your lift requires the update, please contact our Service Center via email info@garaventlift.ch or +41 41 854 78 80 by indicating the serial number and full address of the unit.

Measures taken: A Technician will need approximately 2 hours on an operational unit to complete the work. Garaventa Lift or their representative will not be performing any other service, maintenance or alterations other than that specified by the manufacturer for the upgrade.
